To a very loving brother Sylvester Gregg and his adorable, caring and strong minded wife Roslyn Abraham-Gregg I wish you the very best on this joyous occasion of almost 4 decades of togetherness.

The Gregg family and www.gregg784.com extend best wishes to you for today and the next God knows how many more years.

Your struggles were not easy and will never be easy, but one thing I know that you are not willing to give up. Your togetherness sends a strong message to the family, your children, friends and whoever is touched by your lives that communication make the real difference in your perseverance.

You came from strong parents, tough and rough and always believed in winning the war.

I pray you have a wonderful day with the children and grand kids.

HAPPY ANNIVERSARY

Sir Godfrey Gregg
