

Enough about politics until the Carnival is over. To all my Vincentian friends and visitors St Vincent and the Grenadines is currently celebrating its 40th Anniversary of Vincy Mas. One you have never seen before in the region.

St Vincent and the Grenadines is a beautiful country which boasts 32 islands, and hosts one of the best carnival seasons in the region. It has a newly constructed Argyle International Airport (AIA) and is ready to welcome you to the beautiful “Hairouna, the Land of The Blessed”.

As we celebrate 40 years of Vincy Mas in St Vincent and the Grenadines. The freedom to party all day and night will be one to remember. Be safe and enjoy the summer vacation. **(Be informed that it is not a crime free country)**

Make Carnival Great Again!
