

Well, the time has come again for the Matriarch to celebrate another year on this earth. Madeline Gregg (King) who resides in Canada turns (can't remember the number) but is more than my 60. You never ask a woman her age or even inquire unless it is voluntary. She is looking forward to this time and the family as well.

I take this opportunity to wish her all the best and may you live to see many more. Every year is like new and with it brings new and exciting things. So I understand that there is a party for tomorrow after church service at the Nativity. Heard friends are already in the town and they will be toasting before and after lunch.

The Gregg Connect, The Original Gregg 784 and www.gregg784.com join forces to wish her all the best. $\stackrel{f \times}{}$
