Cold start to the weekend. Good morning family and I hope everyone is having a good morning. I arrived at work safe and sound.

Snow is in the forecast for tonight into tomorrow and that means I will have to be driving in that mess. However, you have to work in sun, snow, rain or sleet. That is how you put bread on your table and feed your family. Just like David "I will lift up my eyes unto the hills, whence cometh my help" The Lord is very gracious to us and we must appreciate it in every respect.

I trust you will have a great weekend wherever you are and keep hope alive.

Sir Godfrey Gregg
