You've reached the stage in life when it's time to relax and slow down  
You can look back with few regrets, so wear a smile and lose the frown  
Life's been good, you've been blessed, but there's so much more in store  
So have a wonderful 62 birthday, and here's wishing you so many more

Don't count the candles or the years  
Forget the hardships and the tears  
Remember the love along the way  
As you celebrate your special day  
Among your blessings, you can count me  
62 years young is a great place to be

At 62 what is left to say  
You've been a high class all way  
Enjoy your birthday and have some fun  
At 62, you're second to none

-CB Kingstown, St. Vincent and the Grenadines

You have always been a fabulous friend  
So birthday wishes I'm going to send  
You're not old, life has just begun  
You've got a long way to go before you're done  
May you get everything in life that's good  
May your 62nd birthday be everything it should

-AC Australia

You've reached 62, this is true  
But there's no need to feel blue  
So sing and dance and have a blast  
Look to the future and forget the past  
Just have some fun and let your heart soar  
Happy 62nd birthday, and many more

- ML Kenya, Africa

You've reached the age when it's time to shine  
You can spend your days busy, or relax and unwind  
Make the most of every single moment along the way  
You've made it 62 years so enjoy your special day
